REFERENCE(S)	EURE-23396, 12 September 58 11- C <i>-</i>		

1. EOB files contain no identifiable traces on the individuals listed in paragraph 4a of Attachment A of Reference.

2. We would be very much interested in having further details, particularly on Robert JAEGGER. We would particularly like to have a more concrete and detailed report on JAEGGER's activities in Berlin since 1945. Paragraph 4a of Attachment A of Reference states that JAEGGER has worked since 1945 in the SED Party Secretariat. We are wondering whether this would be the SED Central Committee which formerly was known as the Central Secretariat. If this were the case, our interest in JAEGGER would be particularly strong. Clarification of this point, therefore, would be greatly appreciated.

3. By the same token we would also appreciate further information on Fritz KREPMAN, Hermann BOHNEK, and Max VARNER.
